General No. 902
No.

With reference to the enclosed letter from the Enam Superintendent No. 29 dated 13th instant the tenure of a Joodee Enam village, or minor Enam is clearly conditional on the payment of the Joodee due thereon in default of which it appears to the Enam and Survey Commissioner that the Enam

The Survey Commr's proposal may, I think be adopted in the case of all but Enfranchised Inams paying Land Rent. In the latter case the procedure laid down in paras II to IV of Rdtn No 213 of 27 Sept 70 may be followed.

tenure lapses to Government. It would be but necessary to fix the time to be allowed for the payment of Joodee after the lapse of which the village or minor Enam should revert to Government. The Survey Commissioners would suggest that notice be given at once on the Joodee becoming fully due, that if not paid within three months from the date of the notice the Enam will be attached and at the end of a farther three months finally resumed.

Sir

In forwarding a copy of my reply, No 152 of this date, to the commissioner of the Astagram Division, who had enquired whether a Jodi Village could be Sold for the non-payment of the Jodi, I have the honor to Suggest that the Chief Commissioner Should be moved to declare that in all Such Cases, — whether of Villages or of minor Inams, the Inams Should be resumed, so as to decrease, whenever possible, the

the number of Inams in the Province
and thereby re-obtain posseſion of
the land.

2. In all cases of such Inams
Villages, or minor Inams, being granted
for the performance of Certain
Services &c, they are resumed in
the event of a non-rendering of the
Services &c. In like manner the
personal Inams are granted Subject
to one Condition only, Viz. of paying
a certain fixed Jodi, and are, I hold,
liable to resumption for the non-pay-
ment of the Jodi, and Consequent
non-fulfilment of the Sole Condition,
on which they had been granted.

Sir

In reply to your docket No. 419 of the 1st Instant, I have the honor to state that a godi in village once settled and enfranchised by the Inam Department can be sold in satisfaction of any claim. The Village in the Nagamangala

Saluk have not yet been Settled, but I am of opinion that such a Village may be sold in Satisfaction of a Government demand — the Government recognizing the purchaser as the future Jodidar; but the preferable course would be to resume the Village, and declare it to be Government Village, remitting the demand, if necessary

2. I believe that it is the practice to sell such Inam Villages and to hand over the balance of the purchase amount to the Inamdar: But I am of opinion that the Village is resumable as it was granted on the Condition of the payment of a certain fixed jodi. — Enclosures are herewith returned. /Signed/ Robt. Cole.
